**Re: United States v. Durell Charles
21 Cr. 546 (NRB)**

Dated: New York, New York
July 22, 2022

Dear Judge Buchwald,

I write to respectfully request a temporary modification to Mr. Charles' bail conditions, so that he can attend his 25th annual family reunion, his grandmother's 90th birthday, and other family celebrations in New Jersey on August 6 and 7 (returning home to S.D.N.Y. each night). His family is gathering together from all across the country and his grandmother is eager to have all of her children and grandchildren present. Mr. Charles will provide the exact addresses to Pretrial Services.

Pretrial Services by Officer Francesca Piperato has no objection to this request and also confirms that Mr. Charles has been compliant with the terms of his release. The government by A.U.S.A. Edward Robinson defers to Pretrial Services and takes no position on this request.

Thank you for your consideration

Respectfully submitted,

/s/
